Dear EPA Staff:

As a result of the meeting you had at your office at E. Fifth and Brown Streets on Friday, October 25, 1996, a caution notation has been made on the Street Maintenance File of the City of Dayton's Computer Aided Dispatch System with regard to the EPA clean up site, Dayton Electroplate, Inc. at 1030 Valley Street.

The Communications Center at 15 E. Monument, houses both Police and Fire Dispatch and the appropriate phone numbers are:

Emergency	911
Non-Emergency	937-222-9511
Police Dispatch Shift Supervisor	937-443-4610
Office of Director & Chief, Ronald Lowe, Sr. 8AM-5PM - Mon-Fri.	937-449-1082
Supt. of Police Operations, Major Mark Stusek 8AM-5PM - Mon-Fri.	937-449-1145
First Dist. Commander, Lt. Barbara J. Bent 8AM-5PM - Mon-Fri.	937-449-1292

The Dispatch Supervisor has a list of pager numbers of all Command Personnel should emergency notification be necessary.

The paragraph reference police response would be applicable to any police response to the site.

Sincerely yours,

Ronald Lowe, Sr.
Director and Chief of Police
